spending programme for implementation of the "acquis communautaire" January 2001 - December 2003
BENEFICIARY : Ministry for Waters and Environmental Protection, Romania FUNDING : European
Commission**

Background :

The Twinning RO2000/OB-EN 01 dealt with the development of a strategy for compliance with the European environmental legislation, with particular reference to financing mechanisms. Its objectives were :

- • Preparation of an integrated financial strategy for comparison with the acquired knowledge on the environment
- • Approval and implementation of this strategy.

The strategy included :

- • A programme for transposing and implementing the 9 most costly directives regarding the following sectors : water, air, wastes and control of industrial pollution,
- • Preliminary cost estimate and financial requirements for implementing these directives,
- • Proposals for legislative and/or regulatory texts for the set up and operating of economic instruments.

Services :

Short-term assignments of experts on the following components :

- • the "water" component ;

- institutional issues in the water sector ;

- directive 98/83.
