OECD - An Initiative on water governance

- IOWater - Our projects : news and update -

Date de mise en ligne : vendredi 24 mai 2013

OIEau

The OECD Initiative on Water Governance gathers representatives of national Governments, regional, local and basin Authorities, the private sector, NGOs, service providers, regulators, international organizations, donors and independent experts. In total, 25 countries are involved. The Initiative was developed in partnership with Suez Environment, ASTEE, the International Network of Basin Organizations, the International Office for Water, UNESCO, the Water Integrity Network, Stockholm International Water Institute and Transparency International which facilitate various working Groups.
