[EN] The participation of IOWater at the 7th World Water Forum (12-17 April 2015, South Korea)

ectos : las noticias y actualizaciones -
Date de mise en ligne : mercredi 8 avril 2015

OIEau

The World Water Forum is organized every three years by the **World Water Council** (in partnership with the host country) since 1997. He is part of a global process of collaboration on issues related to water.

The [7th World Water Forum](#) held in Daegu & Gyeongju (South Korea) from 12 to 17 April 2015. Many French companies are present on this occasion. **The International Office for Water** participates in several sessions organized during the event.

Official sessions on basin management
